

**Resolution authorizing a General Fund transfer of appropriations for the replacement of the 911 call logger system (Sheriff)**

**WHEREAS**, the Franklin County Sheriff has indicated that the 911 call logger system, which records 911 emergency calls, non-emergency calls, and all two-way radio traffic that comes into the Communication Center, has failed due to its age (10+ years old) and cannot be repaired; and

**WHEREAS**, the Franklin County Sheriff has indicated that the inability to record 911 emergency calls, non-emergency calls and two-way radio traffic could pose potential liability for the County; and

**WHEREAS**, this resolution authorizes a transfer of appropriations from the Commissioners' Contingency to the Sheriff's Capital Outlays in the amount of \$75,000 to replace the 911 call logger system; now, therefore
